NOTICE AND DEMAND FOR AUTHORITY

TO: Scott McGeachy
dba Special Agent
Internal Revenue Service
500 West 12th Street, Suite 110
Vancouver 98660
WASHINGTON, USA

COPY

PAST DUE

FROM: Chester Evans Davis

DATE: September 27, 2010 A.D.

SUBJECT: 31 U.S.C. 333, 18 U.S.C. 1341, 1961 et seq.

Greetings Scott McGeachy:

Your business card (copy attached) exhibits the popular phrase "Department of the Treasury". See 31 U.S.C. 333; and 18 U.S.C. §§ 1341 and 1961 et seq. Numerous pre-printed IRS forms also exhibit the same phrase.

For your information, I have attached a page from Title 31 of the United States Code, which itemizes each *de jure* service, bureau, office or other subdivision of the U.S. Department of the Treasury.

The "Internal Revenue Service" does not occur anywhere in that list.

Also, at Footnote 23 in Chrysler Corp. v. Brown, 441 U.S. 281 (1979), the U.S. Supreme Court admitted that no organic Act for the IRS could be found, after they searched for such an Act all the way back to the Civil War, which ended in the year 1865 A.D. (See attached.)

Accordingly, it appears to us that your business card *supra* violates the clear prohibition found at 31 U.S.C. 333(a)(1), to wit:

(a) General Rule. -- No person may use, in connection with, or as a part of, any advertisement, solicitation, business activity, or product, whether alone or with other words, letters, symbols, or emblems --

(1) the words "**Department of the Treasury**", or the name of any service, bureau, office, or other subdivision of the Department of the Treasury [**emphasis added**]

You may also be interested to know that the IRS is now what was left over of "The Untouchables" after alcohol Prohibition was repealed.

Available historical records strongly suggest that the Women's Temperance Movement was secretly financed by the petroleum cartel, then controlled by corrupt foreign banks, to perfect a monopoly over automotive fuels.

1 Once that monopoly was perfected, alcohol Prohibition was repealed,
2 leaving alcohol high and dry as the preferred fuel for cars and
3 trucks, and leaving a Federal police force inside the several States
4 of the Union -- to continue extorting money from the American People.
5

6 On this point, see also U.S. v. Constantine, 296 U.S. 287 (1935) which
7 held that the Federal Alcohol Administration no longer had any
8 authority inside the several States after Prohibition was repealed;
9 but, that FAA was permitted to retreat to San Juan, Puerto Rico, on
10 the false and rebuttable theory that the guarantees of the U.S.
11 Constitution do not apply inside Federal Territories like Puerto Rico.
12

13 That theory has now been thoroughly repudiated, however, because
14 Congress expressly extended all guarantees of the U.S. Constitution
15 into the District of Columbia in the year 1871, and into all Federal
16 Territories -- even future Federal Territories -- in the year 1873.
17 See 16 Stat. 419, 426, Sec. 34; 18 Stat. 325, 333, Sec. 1891.
18

19
20 You will please take special note of the Regulation at 27 CFR 26.11
21 which mentions Puerto Rico expressly when defining "Revenue Agent",
22 "Secretary" and "Secretary or his delegate" (formerly 27 CFR 250.11).
23

24
25
26 **NOTICE OF DEADLINE**
27

28 Accordingly, formal DEMAND is hereby made of you to produce your
29 specific written authority(s) -- if any -- for utilizing the phrase
30 "Department of the Treasury" on letterhead transmitted via U.S. Mail,
31 and to do so by delivering said written authority(s) to me via U.S.
32 Mail within ten (10) calendar days. Beyond that reasonable deadline,
33 your silence will activate estoppel, pursuant to Carmine v. Bowen, and
34 your silence will also constitute fraud, pursuant to U.S. v. Tweel.
35

36
37 Thank you very much for your consideration.
