RE: Redacted Public Records Act Request

Dear Mr. Cole:

With reference to a letter dated 6/28/2011 that I received from Mr. Frank Lynch indicating that the enclosed material, which I had requested via the California Public Records Act, had been redacted "...at the direction of County Counsel.....".

Kindly provide in writing the source identifying the legislative authority, i.e. written statute or code by which you are empowered to arbitrarily censor or obscure information contained in material deemed to be accessible to the public. If you are unable to comply with my request, please instruct Mr. Lynch to forward to me copies in which the information has not been censored or obscured.

Respectfully,

Edward J. Guenette
