RE: Patricia Hogan, M.D.

Greetings Dr. Agharkar,

I am writing to recommend that you locate Dr. Patricia Hogan, M.D., and speak with her at length about her termination this year from the professional staff at USMCFP/Springfield.

Rather than to relay second-hand hearsay to you, I also believe it best that you hear the story directly from her e.g. concerning at least one inmate/patient from Jamaica.

Please do follow up: I predict that your conversation(s) with Dr. Hogan will be most worthwhile, even if you do keep that conversation confidential from certain Wyoming ATTORNeys. *

Thank you, once again, for your professional consideration.

Sincerely yours,

/s/ Paul Andrew Mitchell
