FROM: Paul Andrew Fletcher, B.A., M.S.
 FDC SeaTac Reg. No. 44202-086, Unit "ER"

SUBJECT: ongoing investigation of one
 William H. McCool dba Clerk of Court

Greetings Your Honor:

In the matter of Case No. MJ-14-00030-JPD,
 please accept this AFFIDAVIT summarizing
 a body of evidence assembled in connection
 with three (3) different places where the
 Undersigned, one William H. McCool,
 at various times in the past, to wit:

- (1) Tucson, Arizona, where I was authorized
 by the late U.S. District Judge John H. Roll
 to defend a trust against a grand jury
 "subpoena". Cf. In Re Grand Jury Subpoena
 served on New Life Health Center; and, where
 I volunteered to look for approximately
 2,500 missing children implicated as victims
 in human trafficking;
- (2) Tallahassee, Florida, where I again
 encountered Mr. McCool on the staff of
 the Clerk's Office of the U.S. District Court
 located in that Florida city; and,

I incorporate

#14-CR-27-F (USDC/Dwy)

(3) Seattle, Washington, where I again encountered Mr. M'Cool in connection with the ongoing investigation of missing and defective credentials, with which the U.S. Dept. of Justice has actively assisted at least since the year 2001 A.D., and before.

In Florida, I do specifically remember lodging a formal Mail Fraud Report against Mr. M'Cool with the U.S. Postal Inspection Service, for violating 28 U.S.C. 1691.

In Seattle, I have had five (5) separate meetings with the Deputy U.S. Marshal assigned to me in my capacity as a federal witness. At those meetings, the main topic was the credential investigation summarized at length in my SECOND AFFIDAVIT OF PROBABLE CAUSE (filed separately).

Mr. M'Cool's rubber stamp was used on the "search warrant" executed 6/11/2013. I followed that raid with two (2) verified criminal complaints charging Messrs. James Maloy and Dave Brist at the District Court of Wyoming, Cheyenne, and the District Court of Colorado, Ft. Collins.

In a somewhat separate matter, I lodged another Mail Fraud Report against the Registrar of the University of Washington, Seattle. Attached to the latter Report was a set of exhibits entitled "The Case Against William M. M'Cool," beginning with documents filed in connection with the Tucson events described at (1) above, and including a number of other documents.

Most unfortunately, under present circumstances I do not have ready access to the private databases which I have assembled on my computer workstations, where all exhibits listed in the case against William M. McCool are stored.

Without having access to my computer workstations, I cannot at this time access, or print, any of the documentation that is summarized above.

And, speaking only for myself here, this whole situation, begun on 1/20/2014, is a major, catastrophic disaster for me.

VERIFICATION: 28 U.S.C. 1746

I, Paul Andrew Mitchell, B.A., M.S., hereby verify under penalty of perjury, under the laws of the United States of America, without (outside) the United States (federal government) that the above statement of facts and law is true and correct, according to the best of my current information, knowledge and belief, so help me God.

Dated: 2/9/2014 A.D.
