During several of said forty-two (42) moves beginning January 28, 2014, the Undersigned's personal property and private legal research and related documents were confiscated. This happened upon departures from FDC SeaTac; from the Scotts Bluff County Detention Center in Bering, Nebraska; from the Washington County Justice Center in Akron, Colorado; and, from the Brady County Jail in Chickasha, Oklahoma.

At least four, possibly five documents enclosed in #10 business-size envelopes turned up missing from items confiscated by Sheriffs in Akron, Colorado, after the remaining items were mailed to the Undersigned's legal assistant.

This legal assistant also reported a long delay of several weeks before receiving a box shipped from FDC SeaTac, with more legal research and related documents assembled by the Undersigned during his second period of detention there. An inventory of the latter items is not possible until all contents of the latter box are forwarded to the Undersigned.

The Undersigned believes sincerely that all 42 MOVES to date, and repeated confiscation of his private property and legal research documents, were deliberately inflicted to cause cruel, summary punishment; to deprive access to adequate

law library resources and adequate technical assistance of counsel; to obstruct and impede communication with his legal assistant; and, to obstruct the delivery of correspondence and related LEGAL MAIL via U.S. Mail due to a deliberate lack of postage stamps, paper, envelopes, pens and pencils (read "indigence").

Obstruction of correspondence transmitted via U.S. Mail is a felony violation of 18 U.S.C. 1702.

The Undersigned therefore believes that all the above constitute probable causes of multiple violations of the Federal criminal statutes at 18 U.S.C. 241 and 242, at a minimum and as already alleged in RELATOR'S FIFTH VERIFIED CRIMINAL COMPLAINT, ON INFORMATION, now filed and served in the instant case.

The Undersigned also believes that all the above were inflicted in criminal retaliation for the discovery, by the Undersigned, of missing and/or defective (counterfeit) credentials for Stephen Harris, Zachary Fisher, Tammy Killiker, Christopher A. Crofts, J. Robert Murray, William M. McCool, James P. Donohue, Brian Tsuchida and numerous other personnel employed by the United States Judiciary, U.S. Department of Justice, and IRS personnel James Harry and Paul Brest, all in violation of 18 U.S.C. 1513 and 1519.
