p.s. I reserve the right to lodge more derivative complaints as a result of all the **additional obstruction of 5 x Federal Tort Claims** after they were duly lodged with 5 x different Federal agencies.

Certain personnel employed by the *Massachusetts Board of Bar Overseers* are evidently ignorant of their own *Rules of Professional Conduct e.g.:*

**Rule 8.4**

**(b) *commit a criminal act*** that reflects adversely on the lawyer's honesty, trustworthiness or fitness as a lawyer in other respects;

A related charge of perjury on two (2) IRS Forms 1040 is pending confirmation by the U.S. Department of the Treasury, due to the privacy implications. The evidence is now conclusive that

**Ms. Lerner refused to disclose any of the credentials that were required of her while she was initially employed by U.S. DOJ's Criminal Division for about 2 years after graduating from law school**
