

TO WHOM IT MAY CONCERN:

The statute at 5 U.S.C. 5507 prevents all Federal officers from being paid any salaries before they have filed valid U.S. OPM Standard Form 61 APPOINTMENT AFFIDAVITS:

In the list of Accounts Receivable by the Estate of Paul Andrew Mitchell, B.A., M.S., and of outstanding administrative complaints here:

<http://supremelaw.org/patents/IPO/monetizing/SECURITY.htm>

... we did not list any amounts due and owing to me as a result of whistleblower awards expressly authorized by the False Claims Act at 31 U.S.C. 3729 *et seq.*, and possibly also by Section 7623(b) of the Internal Revenue Code, for our investigation of the U.S. Tax Court:

<https://www.law.cornell.edu/uscode/text/31/3730> (d)(2)

<https://www.law.cornell.edu/uscode/text/26/7623> (b)

Our credential investigation has now confirmed that thirty-three (33) U.S. Tax Court personnel have either failed or refused to produce *any* of the four (4) credentials required of them by applicable Federal statutes:

According to one source, each such "robe" has been receiving \$169,300 *per annum*:

http://en.wikipedia.org/wiki/United_States_Tax_Court

By applying a "present value" assumption to all prior years, and by assuming also an average term on that Court of ten (10) calendar years, we make a preliminary estimate of total damages to the Treasury of the United States as follows:

33 personnel @ 10 years each (average) x \$169,300 per annum = \$55,869,000 USD

(That amount does NOT include any damage(s) caused to Proper Parties on whose Tax Court cases those personnel attempted to preside.)

According to 31 U.S.C. 3730(d)(2), I am now eligible for an award of up to thirty percent (30%),

not including reasonable attorney's fees and costs:

$\$55,869,000. \times 0.30 = \underline{\$16,760,000. \text{ USD}}$

The "*Qui Tam*" Complaint corresponding to 25 of those 33 Tax Court "robes" is here in the *Supreme Law Library*:

We intend to add the above amount of $\$16,760,000$ USD to our list of Accounts Receivable as soon as possible.

Thank you.
